### The Alliance for Global Education International Business Program

#### General Information

On average, students have previously studied Chinese for 3 semesters before taking this course and have already learned some intermediate Chinese grammar patterns. This class meets 4 times a week for a total of 8 hours per week. Students are expected to spend 2-3 hours a day preparing for class, previewing for daily dictation, and doing homework. Only Chinese is allowed in the class. Students will mainly focus on improving their Chinese pronunciation and tones, learning new grammar patterns and practicing the newly learned grammar and vocabulary. Organized in-class activities include daily dictation, bi-weekly tests, memorizing dialogues, and completing oral exercises such as retelling stories, making up dialogues, giving presentations, and performing skits.

#### Objectives

This class helps students strengthen their skills in listening, speaking, reading, and writing. The topics in the textbook cover the most commonly used conversations. The class is designed for 14 weeks and mainly focuses on improving students' listening and speaking abilities. Students are expected to learn at least 25 new Chinese words every class. Students are expected to master approximately 1000 new characters, to recognize and write 1600 new words, as well as 280 new grammar patterns. Students should be able to function in Chinese in their daily life with good confidence and to hold conversations with local Chinese people on most common topics, such as talking about Chinese culture, food, customs and local arts etc. In addition, with using some high level vocabularies, students can also talk about some social issues, such as birth control in China and women's social status in Chinese society, etc.

Students are required to take three Chinese courses; Grammar class, Drill 1 & 2. Before each class, students should prepare by reviewing the new words for that lesson. During class, the teacher will introduce students to the new grammar patterns and vocabulary. After the grammar class, students will practice the grammar learned in the Drill 1 & 2 classes.
